Boat Information Form

Please fill out this form for each boat that you are bringing even if you are not entering the judging. To be judged all boats must show their registration number in a prominent place and be prepared for the judges by 9:00 a.m., Saturday, April 17th, 2010. We welcome all kinds of craft to the event: traditional, contemporary, and/or restored of any type, design or construction except for mass production boats. The judging is informal and meant to be FUN. A display panel that shows the building or restoration process will impress judges greatly.
